PROMISE YOURSELF PROMISE YOURSEL

Promise Yourself . . .

To be so strong that nothing can disturb
your peace of mind.
To talk health, happiness and prosperity
to every person you meet.
To look at the sunny side of everything
and make your optimism come true.
To think only the best, to work only for
the best, and expect only the best.
To be just as enthusiastic about the
success of others as you are about
your own.
To forget about the mistakes of the past
and to press on to greater achievements
of the future.

ROMISE YOURSELF PROMISE YOURSELF PROMIS

To wear a cheerful countenance at all times and give every person you meet a smile.
To give so much time to the improvement of yourself that you have no time to criticize others.
To be too big to worry and too noble for anger.
To be too strong for fear and too happy to permit the presence of trouble.

DON'T QUIT

When things go wrong, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high
And you want to smile,
But you have to sigh,
When care is pressing you down a bit –
Rest if you must, but don't you quit.

Life is queer with its twists and turns,
As every one of us sometimes learns,
And many a fellow turns about
When he might have won had he stuck it out.
Don't give up though the pace seems slow –
You may succeed with another blow.

Often the goal is nearer than
It seems to a faint and faltering man;
Often the struggler has given up
When he might have captured the victor's cup;
And he learned too late when the night came down,
How close he was to the golden crown.

Success is failure turned inside out –
The silver tint of the clouds of doubt,
And you never can tell how close you are,
It may be near when it seems afar;
So stick to the fight when you're hardest hit, –
It's when things seem worst that you mustn't quit.

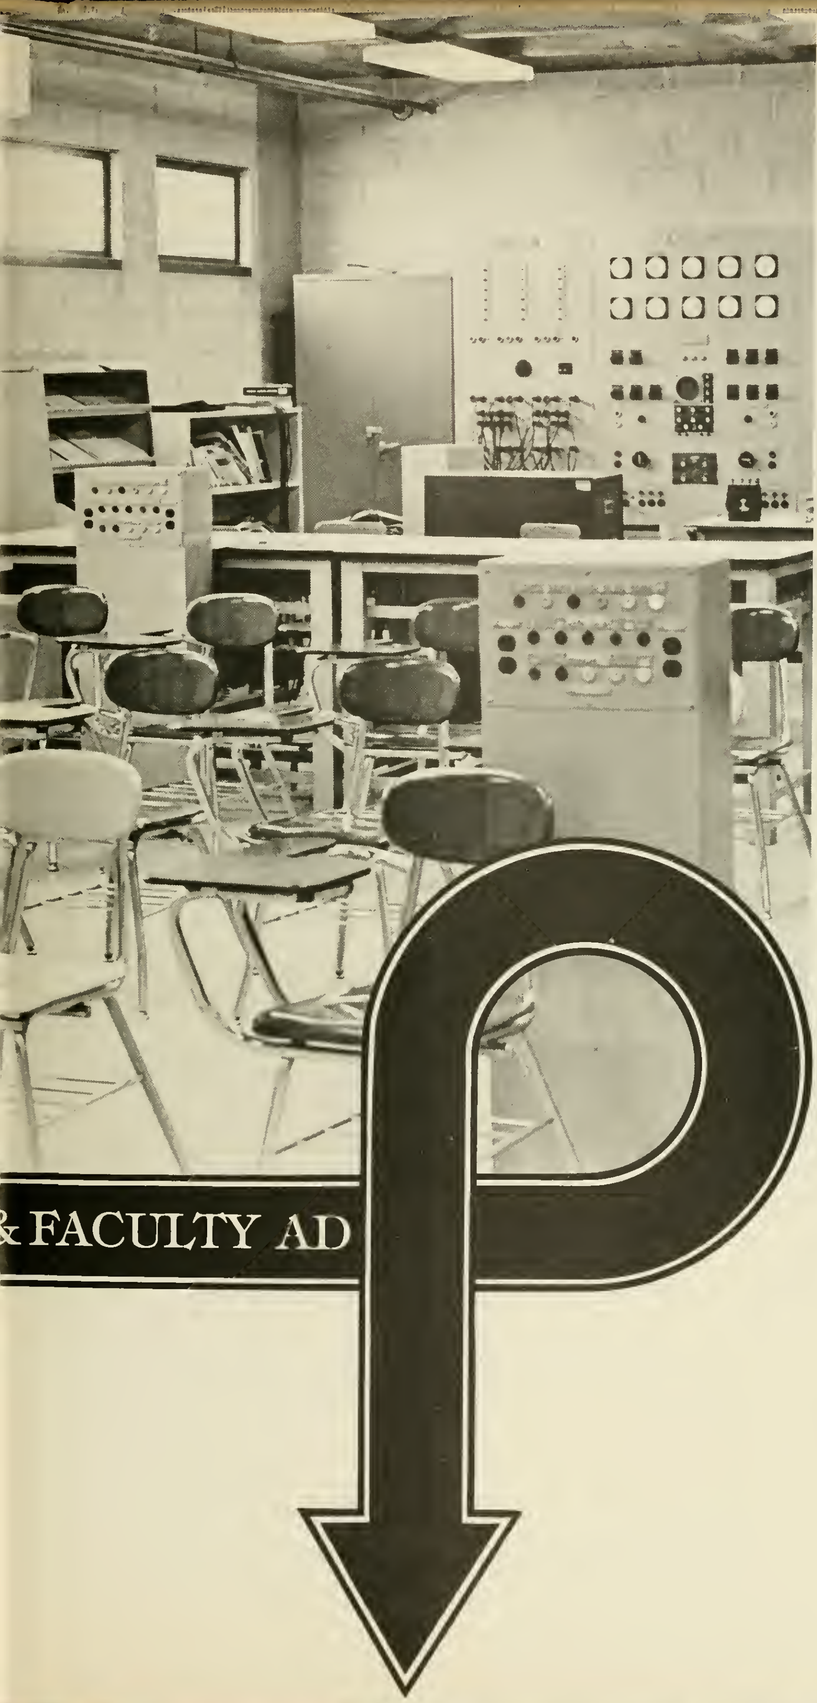
ADMINISTRATION & FACULTY ADMINISTRATIO



Here – where the ageless hills reach
upward to the ageless stars – here
where a century is measured as a day
– I hold these numbered years called
life within my trembling hands – these
fragile years touched with wonder and
with mystery –

there seems to be so little time in
which to learn the purpose for our
living – and yet – in the changeless
pattern of things that are to be – there
must be both meaning and purpose –
or we would be insensitive to the
healing power of beauty – and the
sustaining power of love –

perhaps I am here to touch but a
single heart – or to fill a single need –
or to share my strength with one who
needs a shield against a hostile world–

I do not know – perhaps it is destined
that I should not know – but
another may know –
and understand –
and be grateful.

standing in the fragrant

REMEMBER I REMEMBER I REMEMBER I REMEM

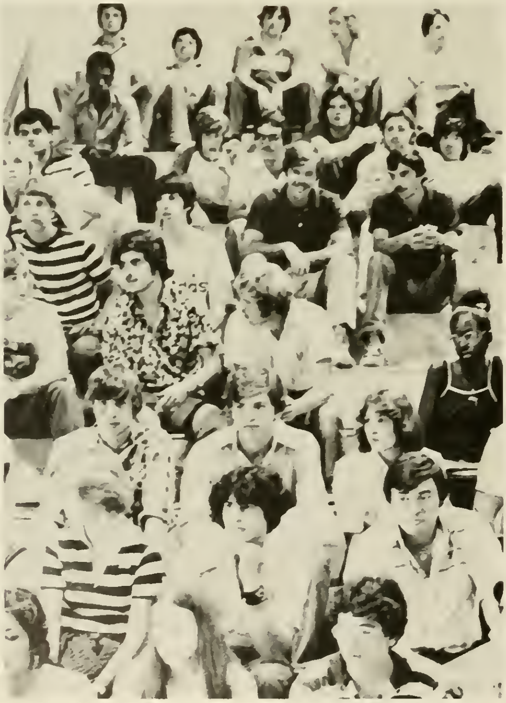
HOMECOMING
OCTOBER 8

PART II PART II PA

ORIENTATION WEEK

After a warm, funfilled summer, it was back to business and lively activity for the UNH campus. It all started with orientation for new students on Sept. 6th. The purpose of orientation is to acquaint new students to college life. Welcoming speeches were given by administrator and students, followed by a picnic.

During the remainder of the week, recruitments for clubs and committees went on in full force; and a frantic grappling ensured for a place at the board to discover course names and room numbers. Then to settle down to the more important business of relaxing with old friends and making new ones, at the all day picnic. The end of the week, dancing up a storm was next on the program, if you like to dance, at the evening mixer.



So once a student passes these tests of patience, (meeting people, waiting in lines, getting I.D. card, etc.), he has taken the first steps toward becoming a member of university community.

CABARET

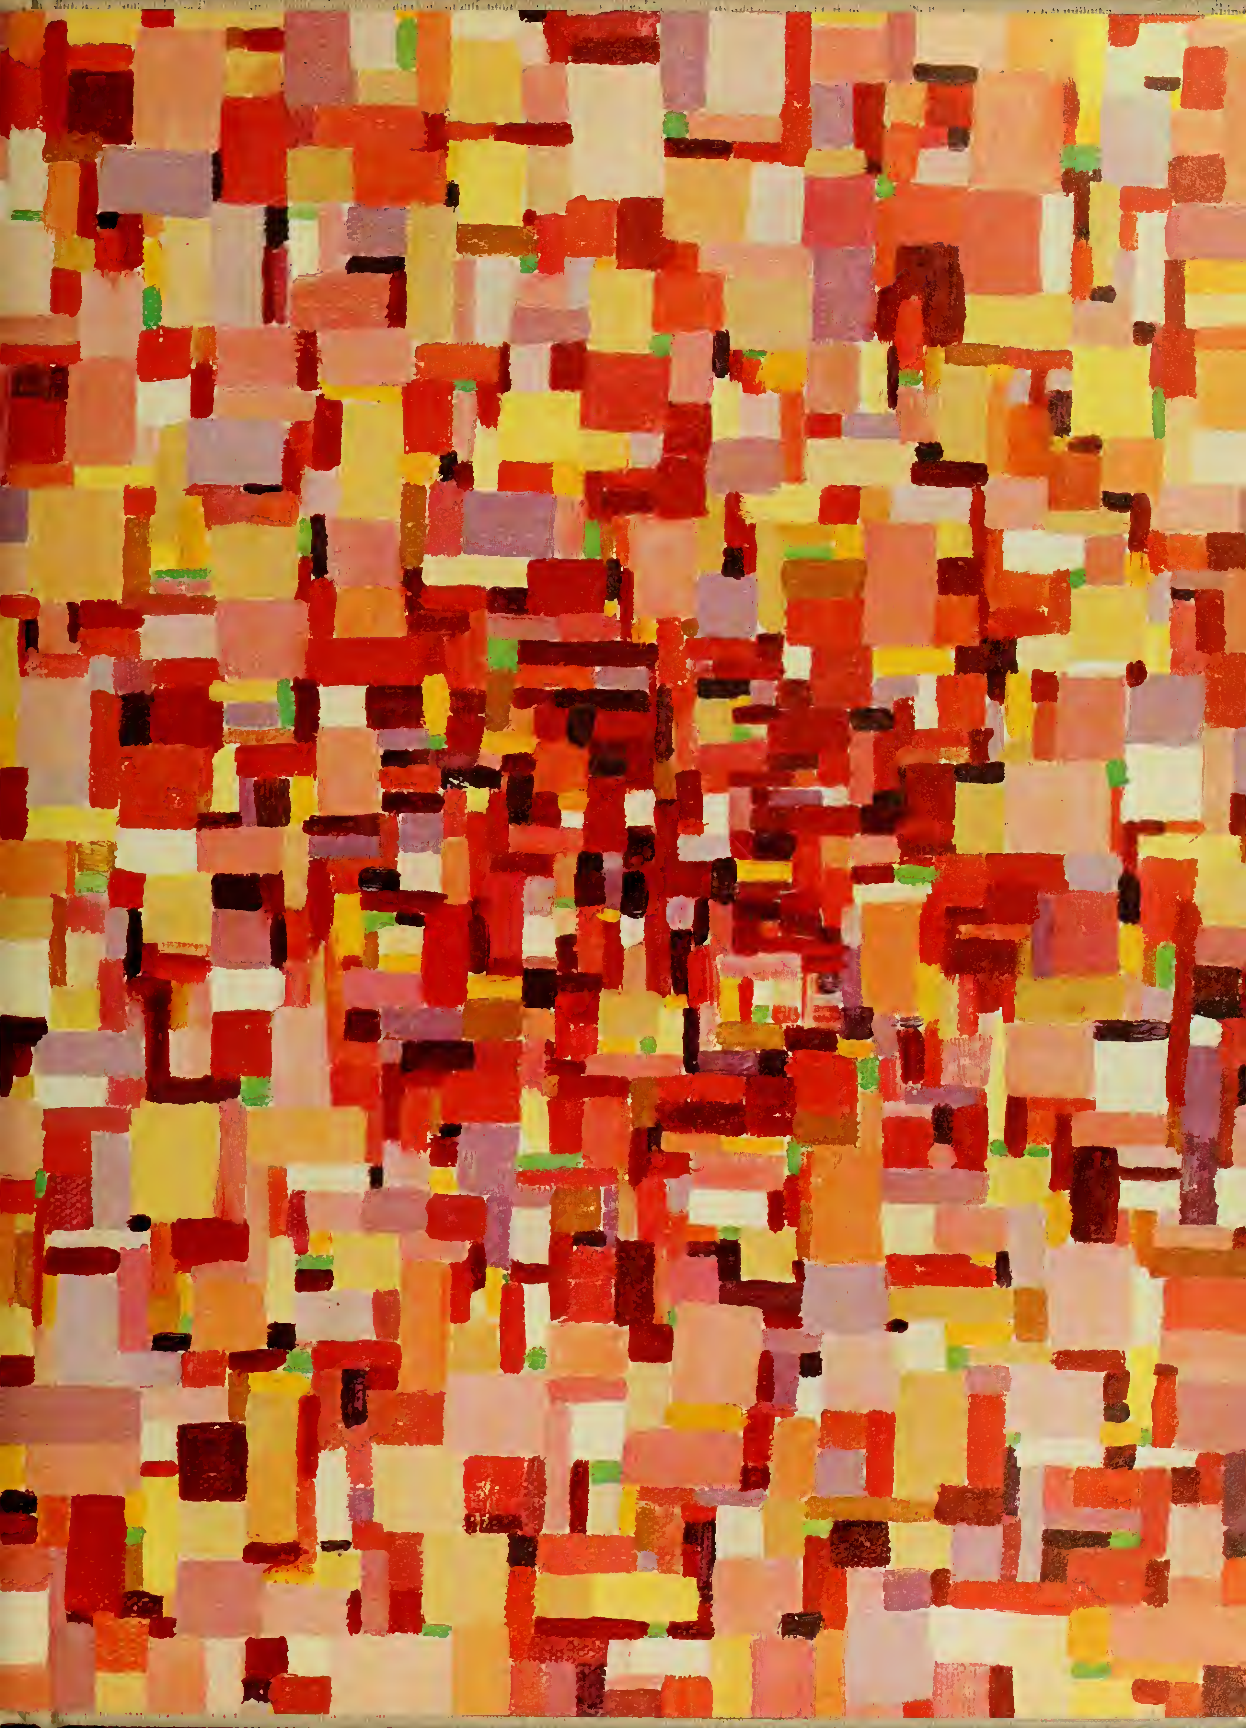
Cabarets are as Traditional to UNH as apple pie is to America. It is a time when friends get together to unwind after a hectic day. This year's Cabarets have featured a variety of acts from marionettes to hypnosis. Performers included the National Theatre Company, and The National Lamoon Show, a situational comedy group. Ken Webber a mentalist used audience participation for his act, which consisted of mental telethapy and hypnosis. Each performer added their own style to make CABARETS a source of good entertainment.

HOMECOMING

Homecoming, a traditional time on the social calendar is a weekend that both alumni and students look forward to. It is a time when memories are dwelt on or built. This year's homecoming games were victorious for both the soccer and football teams. The soccer team was equally as victorious in the Chariot race. The activities moved from the north campus fields with Sgt. Pepperoni in lead, to the Main campus. There behind the student Center Oktoberfest was held. Night time at a mixer which featured Homesick John O'Leary brought the day's activities to a closing. All and all it was, as are all homecomings, a day to remember.

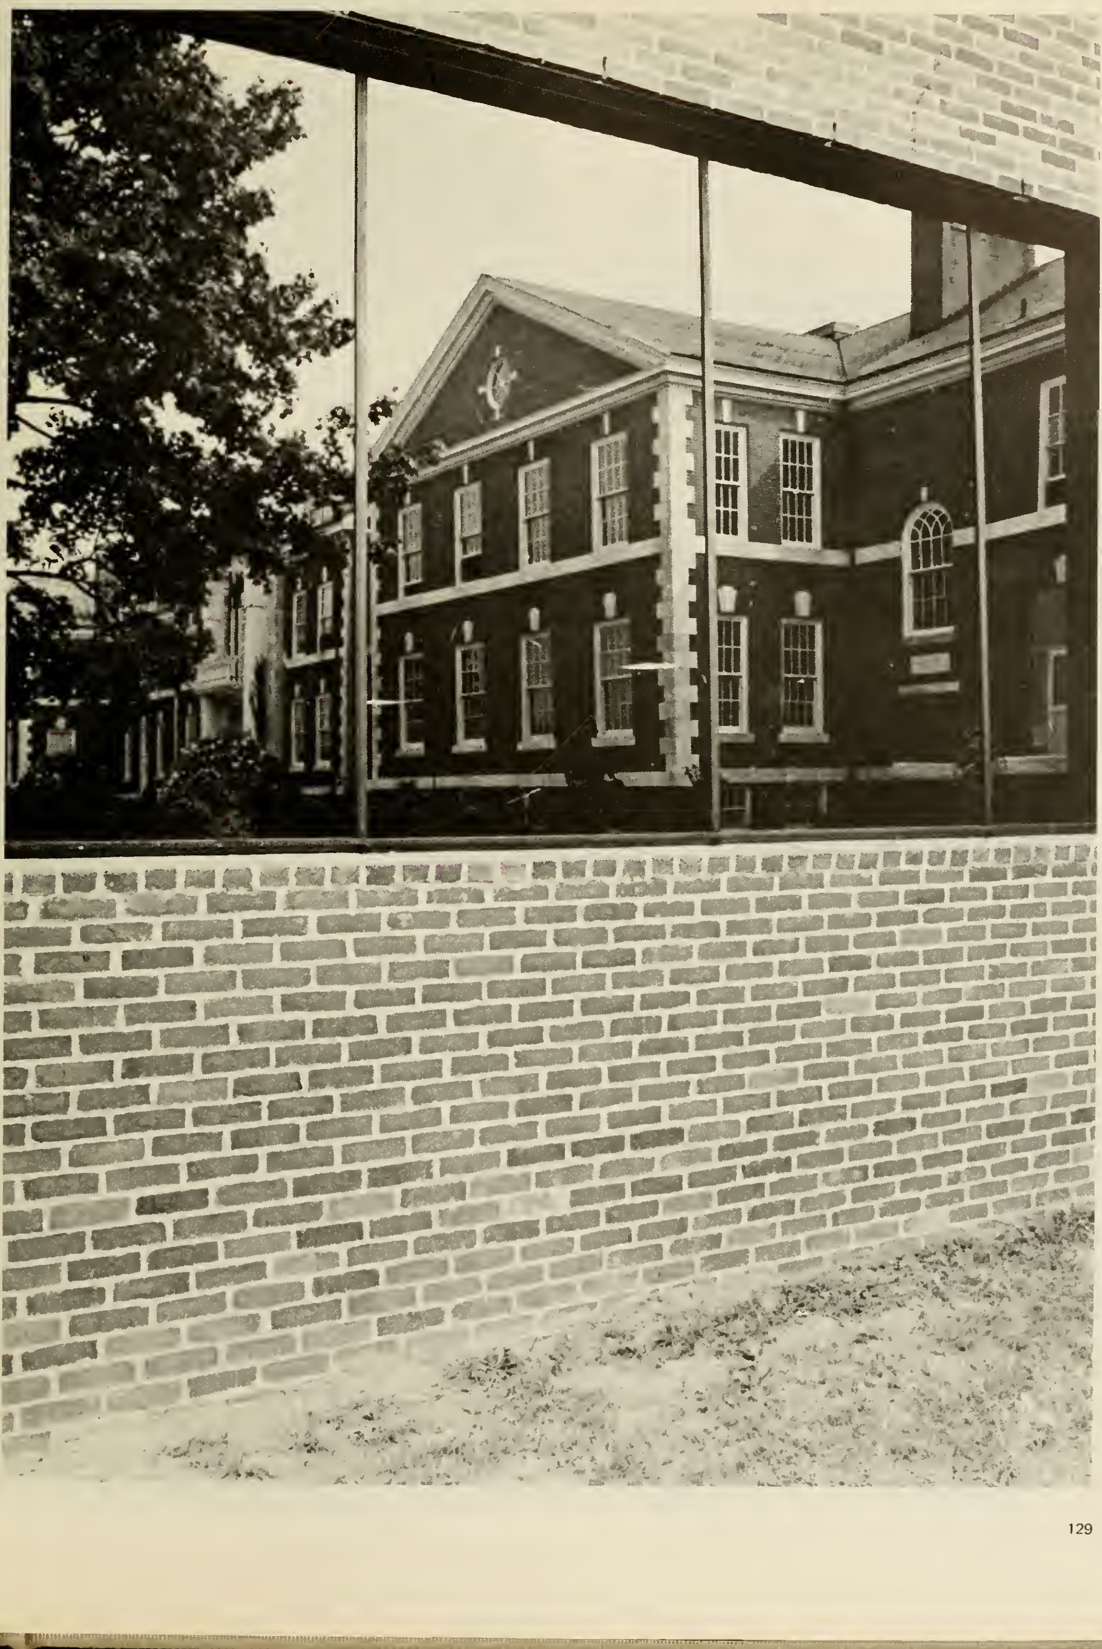
LECTURES

As has been the recent fashion, the OSG sponsored a series of lectures on a variety of subjects. Some of the featured subjects were Ghost Hunting, Exorcism, Helter Skelter and Human Rights. Some of the personalities presented were Dick Gregory, the Warrens and Vince Bulgiosi. Many students and members of the greater U.N.H. community attended these sessions.



FOUNDING THEATER

New Foundling Theatre (NFT) has sponsored various events to promote drama at U.N.H. In the fall a Spaghetti Supper was held, to raise money for the spring production. Following dinner the audience was entertained by a Talent show. Noreen Dorenenburg was the master of ceremonies, introducing the acts of the evening. There were scenes from For Colored Girls Who Have Considered Suicide When the Rainbow Isn't Enough, and The Member of the Wedding. Dance and Song was also included in the show.



D.S.G. AWARDS

The 3rd Annual DSG Awards were held on December 2nd. These awards are presented to individuals who add life and spirit through their good works to make UNH a better place to be. However, the awards ceremony was not a boring affair, there was plenty of good humor and excitement to make the annual event enjoyable for everyone in attendance.

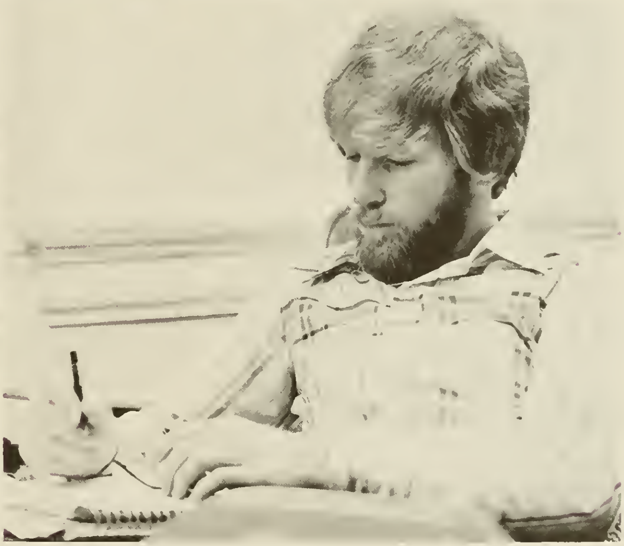
MIXERS

Sponsored by the various clubs and organizations on campus, mixers have held their popularity as a social function. As always there is a variety of music to suit everyone's taste depending on the weekend you choose to attend. There was disc jockey Jack Flash who had Everybody's Everything, and Walrus who played Beatles' hits for the Beatles freaks of U.N.H. Our first mixer of the year at which Eyes was featured held some unexpected events. Did anyone mention a blackout?

FINALS

UNIVERSITY



Finals are always a time of mixed emotions and high pressures and few students at U.N.H. are an exception to the rule. During the week of finals may be the only time that the university looks like what it is, a place to learn. Everywhere you look, one can find students cramming for exams, reading assignments neglected all semester, researching and writing papers, in short, the students are going crazy. However, be it winter or spring there is one thing all of us, with the exception of the graduates look forward to besides our grades and that is ***VACATION.***

EVENING STUDENTS CHRISTMAS PARTY

Christmas is a season of joy and immense pleasures and children probably enjoy it the most. Although at this year's annual Evening Students Christmas Party it would have been difficult to decide who enjoyed the party more, the children or their parents. This year's party took place on Dec. 10th and there was plenty of entertainment including Bill Dayton a Magician. The children also enjoyed the silly antics of two clowns, Patricia Keane and Al Mitchell, university evening students. The party was a memorable experience for all involved.

Life's Clock

The clock of life is wound but once,
and no man has the power
To tell just where the hands will stop,
at late or early hour.

To lose one's wealth is sad indeed,
to lose one's health is more;
To lose one's soul is such a loss
as no man can restore.

The present is our own; live, love,
toil with a will;
Place no faith in tomorrow, for the
clock may then be still.

REMEMBER LAUGHTER REMEMBER LAU

When I have fears, as keats
had fears,
Of the moment I'll cease to be
I console myself with vanished
years
Remembered laughter, remembered
tears,
And the peace of the changing
sea.

When I feel sad, as keats felt
sad,

TER REMEMBER LAUGHTER REMEMBER LAUGH

That my life is so nearly done
It gives me comfort to dwell
upon
Remembered friends who are dead
and gone
And the jokes we had and the fun.

How happy they are I cannot know
But happy am I who loved them so.

EASTER EGG HUNT

East events traditionally separate the cold winter and approaching warm springtime. This year the Evening Student Council held an Easter Egg Hunt on March 11 to welcome in the spring. Due to the inclement weather the hunt for candy and eggs was held in the Student Center. Mr. Bunny Rabbit was present to add to the festivities and make it a fun filled day. The children of the Evening students who attended the event enjoyed an afternoon of fun and excitement.

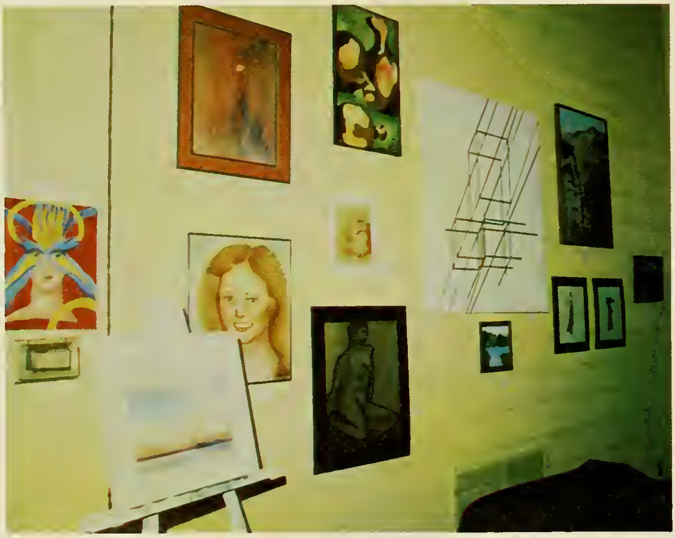
DANCATHON

A dancathon for the benefit of St. Jude's Children Hospital was held on March 4. Over 50 students participated in this event. Dancing went on for 12 hours, with breaks in between. Through good food and stamina all the couples made it to the "midnight hour". With the cooperation of the students, by either dancing or pledging money, the children of St. Jude's have another fighting chance.



PATCHWORK

This year Patchwork, UNH's Annual Arts Festival, expanded its horizons by adding new features to this event. Traditional art displays of photography, sculpture, paintings, graphics, original crafts and commercial art presented. The new features included student and faculty presentations not necessarily of an artistic nature. The Pilots Association demonstrated a helicopter landing, and the Behavioral Science Club presented a biofeedback experiment. Film interviews which featured comedian Woody Allen and another about poet Allan Ginsberg, were sponsored by the English Club in addition to a reading and lecture by poet W.D. Snodgrass. Aesthetics and Athletics were under the direction of Debbie Chin. The soccer team, under the guidance of Coach Joe Machnik, demonstrated soccer techniques. Chi Kappa Rho Sorority presented their 15 annual Fashion Show and New Foundling Theatre previewed a scene from ***Don't Drink the Water.*** A Coffee House was held in the Rathskellar and featured the play ***For Colored Girls*** to round out a week of activity, an Awards Ceremony was held to honor artistic creativity as well as those individuals who helped make Patchwork '78 a successful event.

SPRING DANCE

On April 1, 1978, the Evening Student Council sponsored their annual spring dinner dance at the Yankee Silversmith in Wallingford. After the guests signed in, some headed for the bar while others went to get cheese and crackers. When dinner was finished, everyone got out on the dance floor and boogied to the beat of the music. The dinner was an evening of fun and excitement for all who attended.

CHI KAPPS RHO FASHION SHOW

This year the sisters of Chi Kappa Rho Sorority sponsored their 15th Annual Fashion Show and Card Party on April 14th. This event is held for the benefit of the Virginia M. Parker Scholarship fund, which is awarded to a sophomore woman on the basis of financial need and scholastic ability. Horwitz Brothers of West Haven provided men's and women's fashions. This year's theme "This Magic Moment" was appropriate because for the first time in the History of the fashion show, children modeled. In addition, Mermaid Beauty Salon of East Haven created hair styles for some of the XKP women. As a result of the leadership of chairwomen Elizabeth Levine and Laureen Grimaldi, the sorority produced a show which was a tremendous success.

Z.B.T. BLOODMOBILE

Zeta Beta Tau sponsored their Second bloodmobile of the year on Thursday March 2nd, from 11:00 AM to 4:00 PM in the student center lounge. UNH students and residents of the area contributed to this life giving cause and donated 110 pints of blood. The American Red Cross and the brothers of ZBT were once again pleased that so many people took the time to support this simple act, that saves so many lives.

MUSIC AND DANCE AROUND THE WORLD

"Music and Dance from Around the World" was the theme for the series of concerts held at the Student Center Lounge from February 27 to May 10. The concerts which took place on Monday evenings included music and dance from the near East to the United States. Some artists who participated in this event included George Mgridichian and his group which performed music from the Near East, the Balinese Topeng Performers exhibited dance from Indonesia and the Anthony Davis Quartet played music spanning from early jazz to contemporary innovations. A returning performer from last year's series was Jacques d'Amboise and members of the New York City Ballet Company. They provided an open rehearsal of material in the present repertoire of the company. The final concert of the series was held on May 8th and included students and faculty of the UNH Music Department.

TALENT SHOW

On April 15th, the Day Student Government sponsored a talent show, featuring the students of UNH. A special added attraction was the appearance of the Norwich Free Academy Jazz Ensemble, who performed throughout the evening. David Hoffman,Vice-President of the D.S.G., was the master of ceremonies for the evening. He introduced the acts, which consisted of song and musical accompaniment. Original songs were performed, as well as popular ones. Three cash prizes were awarded, along with the Dean's Award. Gary Baillargeon won first prize, which was $50., and the Dean's Award. Ron Chapdelain was the winner of $25., second prize and third prize went to Arthur Gottlieb, a cash award of $10. It was a night for everyone to remember and enjoy.

NEW FOUNDING THEATRE

The New Foundling Theatre presented its annual spring production on April 20, 21, 22, and 23rd, in the Little Theatre. This year Woody Allen's "Don't Drink the Water" was the featured play. The play revolves around the adventures of the Hollanders, an American family, vacationing behind the Iron Curtain. Under the direction of Joseph Perrone, an UNH alumnus, the group performed its third production, since its revitalization in 1976. After the April 21st performance a champagne party was held in honor of the play's official opening night. With continued support from the UNH community, the group plans to sponsor additional productions.

DON'T DRINK THE WATER

MAY DAY

The Social Committee presented an outdoor concert on the Main campus lawn Wednesday April 26th. Hot Head Slater and Eight to the Bar were the featured groups. Hot Head Slater performed first and blasted the crowd's blues away, with their hard driving rock sound. Eight to the Bar was the next act and the group had the students swinging and swaying to that good old country music, with some popular and rock numbers for good measure. Throughout the afternoon, free beer was available, to add to the good time. It was a day that students would remember for a long time to come.

Good-bye is a difficult word to say in any language. Good-bye like the word commencement is part of a cycle. A cycle in which we meet, grow together, laugh, learn, love, grow apart and leave. To Jako and all my special Friends in the class of 1978, I wish you the best of everything throughout all your lives.

Adios, Sbagom, Ciao

HAYDEE GALLEGO

ONCE WE ENTERED THE WALLS OF UNH . . .

We All: Travelled both mentally and physically.
Explored into every direction.
Laughed, cried, joked and had good and bad times.
Entered into courtship, love, freedom and opportunities
Learned about anger, respect, ambition, pride, danger and honor.
Reached out for courage, wisdom, peace and hope.
Took and Gave advice from our family, friends, faculty, and loved ones.
Dream of our actions, future and lives.

By experiencing all this, we found "To meet someone halfway and to communicate is the beginning of understanding". I hope we were able to communicate with you, our theme of "I Remember When" to meet with your reflections of your times spent here at the University of New Haven.

The CHARIOT office was a place where I spent four years of my life, filled with reflections and memories. And now I find it time to leave and say "auf Wiedersehen". I find this very hard to say, it seems to get hard to write this closing as I go on. I just keep seeing four years passing me by, just to leave and say good-bye.

To you my Staff; Pat, Larry, Roseann, Cindy, Jean, Haydee, Al, Alan, John and the rest who helped out during the year, what can I say, but that I had the best staff on campus working for me. For without your help, we would still be needing a great deal of help NOW.

PAT, you really learned yearbooking this year, and thanks for being around. *(You were around!!)*

RIK, again the endsheets were great and your layouts, *(not too bad!!)*

ROSEANN, it's said, that if you keep trying, you'll get it right, and Ro you got it *(keep trying)*

LARRY AND AL, the yearbook would not have been anything without your pictures. *(you can take pictures!!)*

HAYDEE, thanks for everything, for writing, typing, and layouts *(you can do all that!!)*

BRIAN HAWTHORNE, our publishing rep. and advisor, You'll always have that special touch, *(must be magic)*

Well Pat it's your show now, and I wish you all the best of luck in the world. We both know the time needed to put one of these books together. Remember this: (Take it one day at a time and everything will get done.) I don't know where I'll be, but if you need any help justcall. I hope you get as much fulfillment and enjoyment out of it as I did. Again the best to you always.

To you, members of the Class of 1978, when looking back on your college days, I hope that this book clearly portrays your reflections.

I hope you enjoy the '78 CHARIOT and I wish you all the best of happiness in the future years to come.

Love
Marion

The 1978 Chariot has blossomed into a bigger, better and more beautiful rememberance of UNH activities than ever before with fond memories pressed between each and every page. Under the direction of our editor-in-chief, Marion M. Garnitz, and the guiding hand of Brian Hawthorne, pbulishing representative, the long hours and collaborated efforts of the staff have finally come to a realization.

Many thanks to Joe Macionus and the entire Student Records Department, Joe Cieplak and the staff in the Public Relations Office, The News, Margaret Bertolini and Barbara McGill for game results, and to our advertisers and patrons for their contributions. Thanks to Marge Bullenhamp, Joe Cieplak, John Cutillo, Dorothea Lassiter, Perry McLean, Jim McWade and Calvin Stoner for their photographic entries.
